BUSINESS PROFILE OF THE COMPANY:

Green Equity Partners Limited is an integrated corporate consultancy and investment advisory firm operating in Bangladesh. The enterprise delivers multi-disciplinary financial advisory, project development, due diligence, and business coordination services to individuals, financial institutions, development agencies, and government bodies globally.

As an investment pioneer, the firm specializes in sponsoring, structuring, and managing private equity, venture capital, mutual funds, and alternative investment vehicles. It actively deals in capital market instruments, executing portfolio management, securities underwriting, and asset treasury actions. In corporate advisory, the firm orchestrates cross-border mergers, acquisitions, takeovers, joint ventures, and asset spin-offs. Notably, it maintains a specialized division for financial restructuring and asset recovery, managing the rehabilitation, securitization, and resolution of non-performing assets, distressed debts, and defaulted loans acquired from financial institutions.

Distinguished by its strong commitment to sustainability, Green Equity Partners Limited actively drives environmental and climate finance initiatives. The company spearheads green infrastructure development, carbon asset management, carbon credit administration, greenhouse gas reduction, and renewable energy systems. It also conducts environmental feasibility studies, biodiversity conservation, afforestation, and circular economy projects to drive clean economic development.

Additionally, the firm offers corporate data processing, business intelligence, and intellectual property management, including licensing patents and trademarks. By forging international consortiums, strategic alliances, and agency agreements, the firm blends commercial acumen with green innovation to maximize sustainable value across global markets.

SHORT PROFILE OF THE DIRECTORS:

1. K.M. MOZIBUL HOQUE-CHAIRMAN

Mr. Hoque is a distinguished Bangladeshi entrepreneur, diplomat, and corporate leader born in Comilla in 1962. Residing in Dhaka, he began his extensive business career at age 18 in 1979. Driven by a passion for continuous learning, he holds an Executive MBA and multiple specialized diplomas, including Sustainable Business Strategy from Harvard University and International Diplomatic Law from UNITAR. His comprehensive academic portfolio also covers conflict, peace, security, management, and consular diplomacy.

As Chairman of Shah Group, he oversees a diverse portfolio encompassing construction, real estate, aviation, apparel, leather products, and information technology. Additionally, as Chairman of Green Equity Partners Limited, he channels his deep passion into environment-related businesses designed to bring sustainable, eco-friendly benefits to the country. His vital contributions to national industrial development earned him Bangladesh's Commercially Important Person (C.I.P.) designation seven times. Renowned for his expertise in corporate restructuring and negotiation, he heavily supports youth empowerment. He is a founding member and chairman of Board of Trustees member for the University of Asia Pacific and formerly served as Senior Vice President of the Bangladesh Jute Mills Owners Association.

In his diplomatic career, Mr. Hoque has served as the Honorary Consul General of Yemen in Bangladesh since 2006, having previously been the Honorary Consul of Tajikistan from 1992 to 1994. From 2018 to 2021, he served as President of the Consular Corps in Bangladesh, strengthening cross-border diplomatic ties. Internationally, he was the Regional Director for South Asia during the 1986 UN Peace Program and a Junior Chamber International Vice President in 1993. Having represented Bangladesh at the 1992 UN Earth Summit, Mr. Hoque holds prestigious honors, including the FICAC President's Gold Medal and the FER/UNICEF Peace Medal.

2. MAMUNUL HAQUE CHOWDHURY-DIRECTOR & VICE-CHAIRMAN

Mr. Chowdhury (Parky) is an experienced entrepreneur, investor, and international business strategist with extensive expertise spanning Bangladesh, Australia, the United States, and Canada. Before relocating to Australia in 2010, Parky gained substantial international experience through his work and residence in Bangladesh, the United States, and Canada. Throughout his career, he has developed expertise in commodities trading, international trade and finance, investment banking, corporate structuring, mergers and acquisitions (M&A), cross-border investment facilitation, and business development. He has also played a significant role in establishing and supporting export-oriented manufacturing operations, particularly within Bangladesh's Ready-Made (RMG) sector. Currently based in Western Australia, Parky is actively involved in several business ventures across education, recruitment, healthcare, and investment sectors. His interests include Registered Training Organisations (RTOs), international recruitment services, and healthcare workforce recruitment supporting Australia's National Disability Insurance Scheme (NDIS). Through these activities, he contributes to workforce development, skills training, and the delivery of essential healthcare and support services.

In addition to his Australian business interests, Parky recently joined the Board of Directors of Green Equity Partners Limited in Bangladesh. In this role, he contributes to the company's strategic growth, investment initiatives, and efforts to create sustainable value through innovative business and financial opportunities. With decades of experience across international markets, Parky has built a strong reputation for connecting businesses,

investors, and entrepreneurs across borders. His deep understanding of global trade, finance, investment structuring, and business development enables him to identify opportunities, foster strategic partnerships, and support sustainable economic growth between Australia, Bangladesh, and other international markets.

Today, Mamunul H. Chowdhury continues to play an active role in promoting investment, trade, workforce development, and business innovation, leveraging his global experience and extensive professional network to create lasting value across diverse industries.

3. SHERIEF M A RAHMAN-MANAGING DIRECTOR

Mr. Rahman is an accomplished Senior Capital Markets Leader with over thirty years of cross-functional expertise spanning stock broking, asset management, merchant banking, and custody services across local and international financial platforms. Widely respected for balancing commercial objectives with systemic integrity, he specializes in building market platforms, launching regulated products, and implementing global best practices within local structures. Throughout his career, he has worked closely with regulators and policymakers to enhance market development, investor protection, and operational risk management.

Currently, Mr. Rahman serves as Managing Director of Green Equity Partners Limited, where he spearheads market entry and orchestrates cross-border investment pipelines for structured equity, debt, and strategic advisory mandates. Previously, as the Managing Director of GM Equity Limited, he built the institution from the ground up, secured asset management licensing, and successfully launched public mutual funds. His extensive executive track record also includes serving as Chief Executive Officer of BRAC EPL Stock Brokerage Limited, where he set industry benchmarks for international investor roadshows and drove foreign institutional flows, alongside top leadership roles at Apex Investments Limited, NLI Securities Limited, and Brummer & Partners Asset Management.

Mr. Rahman's strategic expertise is supported by a robust academic and professional foundation. He earned his Bachelor's and Master's degrees in Management from the University of Dhaka, an Executive MBA in Finance from East West University, and completed a specialized Blue Ocean Strategy certification at INSEAD in France. Recognized by the Governor of the Central Bank of Bangladesh for research contributions, he seamlessly blends global market exposure with deep local insight to align cross-border IPOs, private equity architectures, and fixed-income offerings with rigorous regulatory compliance. Today, he continues to drive institutional client engagement, advisory excellence, and macro-level financial transformation across regional capital markets.
